

TRU Talent Solutions for Ediscovery

Stop searching and start staffing today by tapping into the largest rolodex of ediscovery talent in the world. From your biggest, quickest projects to your smallest staffing gap – TRU’s deeply tenured team works closely with you to match you with our credentialed, experienced ediscovery professionals across all areas of expertise - so you get talent when you need it, where you need it, for as long as you need it.

At every level from entry through executive, from sales and project management to ESI and executive leadership – we’re here with talent solutions that support your business and vision. With more than a decade of proven expertise supporting law firms, corporate legal departments, legal technology companies, and legal service providers, we do what it takes to give you a competitive edge.

Our Ediscovery Candidates

- **Contract ediscovery talent:** Hire skilled ediscovery professionals on a temporary basis for short- or long-term assignments and on-demand support, either remote or on-site when workloads spike, unexpected projects hit, or employees are out.
- **Remote ediscovery talent:** Hire offsite talent with confidence with TRU’s roster of thousands of highly skilled ediscovery professionals capable of working remotely from anywhere.
- **Contract-to-hire:** Assess a candidate on the job before committing to hiring them full-time.
- **Direct hire:** Choosing your newest team member is a huge decision. We’re here to make the process as smooth as possible to make sure your new hire is a perfect fit.
- **Executive placement/retained search:** Our years of experience in legal technology staffing for our clients equips us to find you the perfect director-and-above level candidates – from business unit or functional leadership to the C-Suite across all facts of ediscovery sales, operations, and product.

Ediscovery Roles We Cover

- **ESI manager, specialist, analyst**
- **Ediscovery project manager**
- **Ediscovery team lead**
- **Legal services solutions consultant**
- **Legal technology implementation**
- **Ediscovery product managers**
- **Litigation support**

Why Work With TRU?

Extensive Network

We've got the hard-to-find, specialized talent you struggle to reach. Our relationships include candidates from TRU's multinational network. And each day, our talent pool gets deeper.

The right candidates

Our expert vetting process ensures that you only meet the right candidates - so you can spend more time staffing, and less time searching.

Deep Relationships

TRU has the world's largest marketplace of talented ediscovery professionals. We make it easy to quickly find & hire highly qualified and diverse talent that seamlessly integrate into your organization and help you get the job done.

Contract Staffing

On-demand support when
and where you need it.

Hire skilled ediscovery professionals on a temporary basis for short- or long-term assignments providing on-demand support when and where you need it — for as long as you need it.

With contract-to-hire, you can assess a candidate on the job before committing to hiring them full-time. Remote, hybrid, or on-site — when workloads spike, unexpected projects hit, or employees are out, TRU's specialized contractors are ready to hit the ground running.

Direct Hire

Top-quality candidates
quickly and in quantity

Choosing your newest team member is a huge decision. We're here to make the process as smooth as possible to make sure your new hire is a perfect fit.

Adding full-time employees from early- to mid-career to executive level can be fast and easy with TRU — we handle everything for you, from promoting your job and company to extending offers and negotiating pay.

Executive Search

Elevated & fully dedicated
search services.

Find your next great leader to take your organization to the top. TRU Staffing Partners executive search helps companies build superior leadership teams, focusing on C-level and VP-level roles. We can expedite your hiring process and ultimately help find the best available executive match for your company.

Together, we can achieve powerful results.

Get Ediscovery Talent Now

You've got tight deadlines and high expectations. That's why we fully vet your needs so we can match you with the most suitable candidates. Find out how we can help you with your hiring needs today — to get started, tell us what your project needs are.
